Biometric Cashless Catering System
The Live Date for the new Cashless System is 21st April 2020

Dear Parent/carer,

As the 'Live Date' for the new Biometric Cashless System supplied by Civica approaches, we require the consent of at least one parent in order that the biometric information of your child can be processed. Please be assured that this information remains within the school and that the biometric information taken is an algorithm and not the actual finger print.

If you choose not to have your child registered the school will provide an alternative method of identification, on your request, this will be a 4 digit PIN code. The preference of the school is to use biometrics as this is more secure and faster than any other method of identification and we appreciate your co-operation with regards to this matter.

Could you please therefore complete and sign the form below and return to your child's tutor or the post box in Reception by no later than Monday 10th February.

All the information regarding the cashless system has been emailed home today and is on our website.

Yours sincerely,

John Parr
