EXCELLENCE AND DIVERSITY

4th December 2019

Dear parent/carer

We have recently finished the Year 11 Mock exams and are now into the feedback that follows and any intervention that may be needed. The two week period of exams was quite intense, but we, as a staff, were very impressed with the maturity and professional approach that they showed. Therefore I would like to say a big thank you to all our Year 11 students; we are very proud of them.

In January we will hold a 'Mock Results Day' to tell students what grades we think they will get given their current performance, effort and how likely we feel they are to respond to the feedback we give. These forecast grades will be based on previous assessments, teacher professional judgement and the recent Mock Exam result. This forecast grade is not simply the outcome of the recent exam.

As we mark the mock exams and enter the data into the system it is necessary to turn off the mark books and grades from GO4S for Year 11. This is so that we can generate the forecast grades for January without spoiling the outcome of that 'Mock Results Day'. Mark books/grades will be turned off this week and will be switched back on in January.

Kind Regards

Dr Wood

Deputy Headteacher
Church Stretton School
