Headteacher: Mr J Parr BA Hons

Dear parents/carers,

Following advice from Trust-Ed Schools' Partnership, of which we are a part, we have cancelled the Progress Evening for Year 9 that was due to take place on Thursday 19th March. These are exceptional circumstances and the decision was not taken lightly.

The pathways process will continue, however, and we will send out the electronic form on Friday this week as published.

As you may have been planning to use the progress evening as a final check on your child's progress before committing to choices, we can understand any frustration this cancellation causes. We will be sending home a short report for each option subject that will show the current progress grade, attitude to learning and a short narrative about potential to study that subject further during Years 10-11. You will, of course, have the option to email the relevant Head of Department should you need any further advice.

As a reminder, your child's test and assessment scores can be viewed on GO 4 Schools, along with their current attitude to learning. The Pathways booklet contains information on the courses on offer, a copy of which can be found on the [school website](#). Your child may also wish to approach myself and/or their class teacher in school to seek advice.

Thank you for your understanding, please get in touch if there is anything further that you need.
